## **FOCUS Fund Endowment**

In 2013, the Community Foundation awarded a total \$10,475 to help local organizations meet their unanticipated needs for funding. Our grants were focused on offering a unique funding source to address unanticipated, emergency needs of organizations. The focus of funding was not necessarily for regular programming costs, but instead to help address an emergency situation, such as when a crucial piece of equipment has failed and needs replacing so the organization can provide services, that a regular income source is unexpectedly no longer available, that a unique situation has created a bigger than expected demand for services, that a truck used by a food pantry to deliver/pick up food needs repair so the pantry can continue business, etc.

With this in mind, the following grants were awarded in 2013, as \$1:\$1 matching grants.

Habitat for Humanity/Antrim Co	\$2,500	Support needed work in floor system identified during work on planned renovation of their building.
Leelanau Christian Neighbors	\$1,225	Support needed to purchase office furnishings and equipment for a new room in the Suttons Bay Middle School to house the Neighborhood Assistance Ministry program (NAM) and the Leelanau Christian Neighbors administration.
